BY THE COMMISSION:

By written request for funding received April 20, 2007, Hall County, Grand Island seeks funding from the Enhanced Wireless 911 Fund for expenses of implementing and providing enhanced wireless 911 service related to Verizon. Hall County has one public safety answering point (PSAP), which will provide enhanced wireless 911 service throughout Hall County. The local exchange carrier serving Hall County's PSAP is Qwest.

Hall County entered into a service agreement with Qwest for enhanced wireless 911 equipment and services. A copy of the agreement has been provided. In the agreement, Hall County authorized the Commission to remit all payments for enhanced wireless 911 service to Qwest.

Hall County now seeks initial costs and recurring costs to implement and provide enhanced wireless 911 service for Verizon as outlined in Appendix A attached hereto. Initial costs are for database upgrades, trunking infrastructure and purchase, installation, and testing of circuits for enhanced wireless 911. Recurring costs are monthly fees for database management and for operation and maintenance of trunks and circuits.
